

Material Services

The fee for this service is \$25 if we are successful at finding your color and your order is placed. The fee will be charged to your credit card once your order is made. We do not guarantee we will find a match in your color. If we do have a color match, but in a different fabric type, you will be notified by email where you can reply then accept or reject.

Fabric Locator -1: If you have a fabric swatch and need us to match the color, please print and complete this form, staple it to your sample swatch and send to the address below.

Fabric Locator -2: Purchase the [Embroidery Color Booklet](#) and match your fabric color to a color code. Using the same booklet, our manufacturer will attempt to find a matched fabric color to the code.
